

WEATHERVANE KETTLE CORN FUNDRAISER

We are partnering again with WEATHERVANE KETTLE CORN for our first Sheridan Biddy League fundraiser. Weathervane is a local business that utilizes only locally-sourced corn for their products. The popcorn is made fresh and is delicious! These make great gifts!

Weathervane is graciously offering us 50% of our TOTAL SALES! So what does that mean for you?

If your child sells 20 bags of popcorn at \$12.00/bag, total sales are \$240.00.

Your child will receive 50% of that total, or \$120.00 towards total costs for the season!

Use the paper form provided OR the digital form (found on sheridanbiddycheer.com) to track your orders. Collect your money in cash, check or Venmo as orders are taken. During popcorn order turn in, you can drop off all cash, check and/or make one final Venmo transfer into the Sheridan Biddy League Cheerleading Venmo account. Please do not have your supporters Venmo SBLC directly, as orders are hard to track that way.

ORDERS DUE: BY FRIDAY, MAY 2ND, LOCATION TBD

POPCORN PICKUP: AT UNIFORM FITTINGS - MAY 12TH AND 13TH

OTHER FUNDRAISING NOTES:

Our goal is to offer fundraising opportunities to help families drive down the total out of pocket costs for the season. With these fundraising opportunities, we expect families can raise a huge portion, if not all, of their child's fees for the season! PLEASE NOTE: Fundraising is encouraged, but not mandatory.
